

Wordr Privacy Policy

Personal Data

Wordr (and its associated Applications) will only collect, use and transfer Personal Data about you if you have consented to that collection, use and transfer, unless Wordr (and its associated Applications) believes that such action is necessary to (a) conform to legal requirements (b) protect and defend its rights or property (c) enforce this User Agreement or (d) act to protect the interests of its users or others.

You give your consent in the following way:

By completing and submitting the Registration Form on the Wordr Apps you automatically consent to Wordr (and its associated Applications):

- Collecting the information that is on the Registration Form, and information about your movements around and use of this site and other Wordr (and its associated Applications) owned or managed sites, for the purposes described below.
- Contacting you with relevant material, for example about your use or potential use of this site and Apps.
- transferring your Personal Data to other Wordr (and its associated Applications) companies (subsidiaries or affiliates), and to those Wordr (and its associated Applications) companies contacting you with other relevant material, for example about your use or potential use of this site and Wordr Apps or other Wordr (and its associated Applications) owned or managed sites.
- Transferring your Personal Data to Wordr (and its associated Applications)'s site franchise partner if this site is one which Wordr (and its associated Applications) publishes and manages for a third party franchise partner and to that franchise partner contacting you with other relevant material.
- Transferring your Personal Data to any data processors that Wordr (and its associated Applications) has nominated to act as its agent for any of the above activities. The data will always remain under the control and direction of Wordr (and its associated Applications).
- Transferring your Personal Data to any country in which a server belonging to Wordr (and its associated Applications) is located for the purpose of providing you the sites and services within Wordr (and its associated Applications) network and for conducting the above activities.

You can unsubscribe from any of these services at any time by emailing Wordr (and its associated Applications) at info@tamsonic.com

Aggregated Data

Other non-personal information will be collected and used by Wordr (and its associated Applications) and may be transferred to third parties. Any such statistical or demographic information will not include personal details through which you could be identified. In addition to non-personal information given on your Registration Form, information is automatically collected about traffic around the site. This is also only used in aggregate form and no individual registered user will be identified.

Cookies

Site functionality cookies

Wordr (and its associated Applications) uses "cookies" to determine whether a user is signed in or not and, from time to time, to ensure that a piece of information is only displayed to users a certain number of times. A cookie is a small piece of information sent from web sites you visit (including Wordr (and its associated Applications)) to your computer to help identify you quickly. Cookies are not used to identify individuals personally and no personal information is stored in relation to the cookies.

Third party cookies

We use external advertising companies to display advertising when you visit Wordr (and its associated Applications). The software that displays these advertisements also uses cookies, known as 'third party cookies'. These cookies may be used to help display more relevant advertisements to you.

These companies may use information (not including your name or email address) about your visits to this and other sites in order to provide advertisements about goods and services of interest to you.

Third party cookies may include behavioral targeting cookies. These are also intended to help display more relevant advertisements to you by using information about other sites you may have visited previously.

Third party cookies also include those from our data analytics providers. These allow us to analyze the use of our sites and do not identify users individually.

Disclaimer Google Analytics

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google").

Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States.

In case of activation of the IP anonymization, Google will truncate/anonymize the last octet of the IP address for Member States of the European Union as well as for other parties to the Agreement on the European Economic Area.

Only in exceptional cases, the full IP address is sent to and shortened by Google servers in the USA.

On behalf of the website provider Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage to the website provider. Google will not associate your IP address with any other data held by Google.

You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that if you do this, you may not be able to use the full functionality of this website.

Furthermore you can prevent Google's collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout?hl=en-GB>.

Refusing and removing cookies

At all times, you may adjust your computer's web browser settings to refuse all cookies. However, by doing so, you may not be able to use certain features on web sites and, if you wish to use our discussion forums or comment on articles, you will be asked to login each time you visit.

You can also remove all cookies from your computer – or specific cookies that you wish to remove –by opening your internet browser's settings and finding the privacy or content settings.
